DEVOTIONS FOR THRIVING

KATINA HORTON

Book Club Questions

One of Katina's devotions is about the belt of truth. When have you forgotten your physical belt? How did it make you feel? What about your spiritual belt? Do you hold your spiritual belt in the same regard as the physical?

Can you identify with "Will God Deliver?" Share your experience with the group. Why does God make us wait? How does this increase or decrease our faith?

Have you ever gotten sick of the same old thing? What did you do about it? How do you feel about that "thing" now?

Do you feel that you have strongholds in your life? Would you think of TVs, books, and other sources of entertainment as strongholds?

Why did Rachel and Leah struggle? Can you relate to them? What did you have to do in order to get rid of the comparison blues?

When has the comparison blues caused the big "D's" to occur? The big D's are despair, disappointment, discontentment, discouragement, and disillusionment.

How have you handled each of these?

Do you still have a problem with them?

What advice would you give someone else struggling with the big D's?
